
Title: Arrest Warrants

Author: Skara Brae Council

Let it be known that the
forces of the Play King
and the Regent are
conspiring to cause harm
to both the ruling body
and citizens of Skara
Brae Trammel. These
dogs of Virtue would see
every child of Skara Brae
slaughtered to further
their own corrupt empire.

They see our benevolent
rulers as power mad
monsters, yet all citizens
of Skara Brae know that
to be a typical lie that
is uttered in complete
ignorance. Under the
guidance of Lord Artisem
and Lady Darkthorne, the
city of Skara Brae
Trammel has flourished
into a self-sufficient
paradise. Crime is no
longer a concern to our
people. Trade has
increased dramatically.
And it has been assured
that all citizens have
some sort of trade or
job so they can better
take care of their
families.

The Skara Brae Council
has met and discussed
with what should be done
with these villainous dogs
who would seek to
destroy our way of life.
Effective immediately the
city of Skara Brae
Trammel has entered into
a state of emergency and
has issued arrest
warrants with rewards on
the heads of these

criminal beasts who would
see you crushed into pulp.

Use extreme caution in
dealing with this one.

Let it be known that the

considered to be enemies
of Skara Brae and all of
her children. Should
these filthy rats be
captured alive then their
fate shall be decided
within a special court in

which Lord Artisem and

have complete reign over.
These are not petty

steal a few coins from a
struggling merchant. These

assisting or harboring
these criminals in any
way shall face public
execution and
dismemberment.

her citizens to defend
her. We will show these

citizens of Skara Brae
will stand for our beloved
ways, and that we will
never allow them to
setup a puppet
government of the Regent

should the need come

our haven of Skara Brae.
